Read to Succeed

Here at Boldon we recognise the importance of encouraging wider reading in order to help enhance literacy and language skills, as well as boosting cognitive development and thereby promoting academic success.

Your child will be regularly exposed to diverse texts to enrich their vocabulary, improve comprehension and develop critical thinking. Reading widely also nurtures empathy, cultural awareness and creativity, helping students to become well-rounded individuals.

For this half term, faculties have recommended wider reading material that your child can read alongside the topics they are studying. Scan the QR code to find out more.
